Ag In The Classroom March 15, 2023

Farm Day is organized for the sole purpose of increasing awareness of the positive contributions that agriculture makes to our local community and economy. All 3rd graders countywide are invited to attend and spend the morning immersed in agriculture. Each Farm Day is larger than the last. In order to keep pace with the growth, it is important that we also grow our group of volunteers, presenters, guides, and supporters.

Register by phone, mail, or online!

- Yes, I will be a Guide.
- Yes, I will be a Presenter.
